*RRP From is based on the lowest available VRT rate for that model range, adding options to vehicles with higher VRT rates will cause options to increase in cost. Adding optional extras to vehicles can have an impact on the CO₂ & Fuel Consumption of the vehicle. This may in turn change the VRT payable on the vehicle and thus increase the Total Price. Please discuss the addition of options and their impact with your CUPRA Master within our CUPRA Network. Information & pricing subject to change without notice.
